CONSENT MOTION FOR EXTENSION OF TIME

ACME Television Licenses of New Mexico, LLC (“ACME”), by counsel and pursuant to Section 1.46 of the Commission’s rules, 47 C.F.R. §1.46, hereby requests a two-week extension of time, until Monday, May 21, 2007, within which to file a reply to the comments filed March 26, 2007, in the above-captioned proceeding by Telecommunications for the Deaf and Hard of Hearing, Inc., National Association for the Deaf, Deaf and Hard of Hearing Consumer Advocacy Network, Hearing Loss Association of America, Association of Late-Deafened Adults, Inc., American Association of People with Disabilities, and California Coalition of Agencies Serving the Deaf and Hard of Hearing (collectively, “Commenters”), who have opposed the petition for exemption from the Commission’s closed captioning requirements filed by ACME for certain programming aired on television stations KASY-TV, Albuquerque, New Mexico, and KWBQ(TV), Santa Fe, New Mexico. In support of this motion, the following is stated:

ACME’s reply is currently due to be filed today, May 7, 2007. However, ACME’s parent entity, who is primarily responsible for assembling the factual material necessary to prepare a reply pleading, has a small staff and has been busy preparing documents necessary to

be filed with the Securities and Exchange Commission. As a result, ACME has not been able to prepare the necessary documentation to respond to the Commenters' March 26, 2007 comments.

In addition, counsel for ACME has had a number of time sensitive matters which have required a substantial amount of time and precluded the filing of a reply pleading by the May 7, 2007 deadline. These commitments and others within the next ten days will prevent counsel from preparing a reply to Commenters' comments until Monday, May 21st. Therefore, ACME respectfully requests a two-week extension of time within which to file a reply to Commenters' comments.

ACME respectfully submits that, due to the substantial number of comments filed by Commenters in this proceeding, the requested extension will not prejudice any party, nor will it materially delay the Commission's action on ACME's pending request for exemption from the closed captioning requirements.

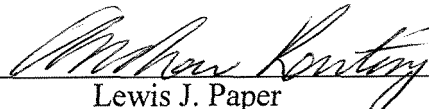

Counsel for the Commenters has graciously consented to the requested extension. The Consumer and Governmental Affairs Bureau's staff has been contacted regarding this extension request in accordance with Section 1.46(c) of the Commission's rules.

WHEREFORE, in light of the foregoing, it is respectfully requested that the deadline for filing a reply to Commenters' comments filed March 26, 2007, be EXTENDED to May 21, 2007.

Respectfully submitted,
